

OVERVIEW

“Our group is responsive, thoughtful, and relentlessly committed to helping our international clients reach their business goals.”

— Bruce Fox, Partner

Obermayer’s International Businesses practice provides cost-effective and practical solutions for doing business abroad for U.S., foreign, and multi-national businesses with interests anywhere in the world. We also represent clients investing or negotiating and structuring business transactions with foreign companies. We equip our clients with knowledge of the international business culture, so that they better understand foreign laws and regulations and make well-informed business decisions.

Our Value

Our team understands the challenges foreign individuals and companies face in the U.S., and helps them overcome difficult claims and disputes in litigation. Our clients rely on our attorneys to assist them with the U.S. legal system and business culture, identify any risks, and convert their challenges to opportunities.

Clients appreciate our multi-lingual, multi-cultural grasp of diverse, international business cultures and negotiation styles. Obermayer is also a member of the International Alliance of Law Firms.

Domestic, foreign, and multi-national businesses seek our help when they’re facing challenges or exploring opportunities internationally. Our attorneys have been engaged by American, European, Latin and Asian companies for assistance with business operations, claims and disputes, regulatory

compliance, and acquisitions in the global marketplace.

- All aspects of real estate law, representing foreign investors in U.S. real estate transactions;
- International taxation, including representation before the Internal Revenue Service, state and local tax tribunals, and in federal and state courts;
- Litigation involving foreign clients in the U.S., representation of clients in international arbitration proceedings, and otherwise helping arrange counsel through our connections with attorneys abroad;
