

MEET CAITLIN

"I am motivated by my clients' trust in me to guide them through difficult and emotional times, and I take that responsibility seriously by providing unwavering support and clear direction. I am honest, even when the truth is hard to hear."

— Caitlin Foley

Caitlin focuses her practice exclusively on family law, handling divorce, custody, support, property division, protection from abuse, and guardianship matters. She is a certified Divorce & Custody Mediator by the Pennsylvania Council of Mediators.

From the first meeting, she listens to clients' concerns, asks thoughtful questions, and tailors her approach—offering either a legal overview or specific guidance—while outlining a clear plan for the next steps. Caitlin keeps clients informed with regular updates, balancing a direct yet empathetic approach. She strives for negotiated solutions but is fully prepared to litigate when needed, ensuring clients understand and are ready for the court process.

Outside of work, Caitlin enjoys time with her husband, trying new bars and restaurants with live music, reading, cooking, and spending time outdoors. She loves hiking with her dog, traveling, and summer trips down the shore with her family. A passionate sports fan, she cheers for the Alabama Crimson Tide, the Philadelphia Eagles, and the Phillies.

EXPERIENCE

Caitlin has extensive experience representing high-net-worth and high-conflict clients at all levels of the family court system. She has litigated cases across multiple counties, including Chester, Montgomery,

In addition, Caitlin is experienced in mediating custody, divorce, and support agreements.
