MEET DAVE

"I'm a problem solver. I find solutions to my clients' problems because I'm close enough to understand the business or finance issue at hand, but removed enough to see other possible options or strategies."

— David A. Nasatir, Vice Chair of the Firm

Dave is the Vice Chair of the Firm as well as the Chair of the Business and Finance Department and the Workout and Lender Liability group.

Dave's goal is to create solutions for his clients. He not only negotiates legal documents and agreements, he also adds value as a trusted business law advisor. He often participates in his clients' business meetings, assisting in shaping a strategic vision of a business' future and providing advice on how to best deal with an ongoing business problem.

Dave is devoted to his family. As a father of four, he is often running to the baseball field, a band concert, or another after-school activity. Dave is also active in his synagogue, in politics, and is an avid baseball and basketball fan.

EXPERIENCE

Dave's clients range from small family-owned businesses to some of the largest financial institutions in the United States. His diverse and extensive experience includes providing counsel to clients on public finance – both governmental clients and private sector clients seeking access to public finance opportunities – as well as zoning and general corporate and real estate issues, including handling the workout of complex financing projects and structuring of multi-million dollar real estate developments.

Some of Dave's notable cases include:

- Representing a regional lender in a complex financing of a project for a developer who was leasing an entire building to a

national tenant;

- Successfully negotiating the sale of an 85-year old family business, maximizing the value for the client while satisfying the interests of various family members;
- Representing a regional developer in a joint venture with a local municipality in taking an environmentally unsound building and converting it into a viable mixed-use building which houses the municipality's Borough Hall and offices;
- Representing the owner of a national industrial company to restructure the company's debt, structure a trust that ensured clear succession upon the owner's death, and assisting in obtaining financing to acquire a new corporate facility and related equipment;
- Leading a team of litigators and bankruptcy attorneys for a regional bank through a complex maze of business issues involved in lender liability litigation;
- Handling the workout of complex financing projects and structuring of multi-million dollar real estate developments for regional banks as well as developers;
