MEET GREG

“Creating clarity out of chaos and finding your needle in a haystack is what drives me professionally.”

— Gregory Weyant

Greg serves as Director of Library and Research Services. In this role, he manages and curates Obermayer’s print and electronic collections for attorneys and staff. A typical day involves performing cost-efficient references and in-depth research on legal, corporate, and other topics.

Inspired by the adage that “Knowledge is Power,” Greg has focused his professional career on knowing where and how to search for information of all stripes. Finding that needle in a haystack gives him the biggest sense of accomplishment.

While not working, you can find Gregory traveling, catching a baseball game, or attending a concert. A movie buff, Gregory also teaches film classes.
