

MEET NATE

“If it touches dirt, that’s what we do. I work with my clients to solve their legal issues in real estate, land use and zoning, construction, and business and corporate law; and it is a privilege to be called on when needed by my clients.”

— Nate Fox

A partner in Obermayer’s Business & Finance Department, Nate heads the suburban land use team. He concentrates his multifaceted practice in real estate, zoning and land use, construction, business, and corporate law. He has extensive experience in representing real estate and development clients in the commercial, industrial, residential, multifamily, hospitality, and energy industries.
